

## **CRMI TRAINING (Ground/Simulator/Line)**

This course is designed for pilots, but it can be expanded to other aviation professionals, who wish to become CRM Instructors. It is conducted in accordance with EASA OPS regulations.

### **PREREQUISITES**

- Minimum requirement is ATPL (please read **AMC1 ORO.FC.115&215**)
- This course prepares instructors to comply with EU/EASA-OPS Initial requirements for CRM Instructors. It is the responsibility of the Client to ensure this CRMI course complies with their own requirements and of their National Aviation Authority or any other NAA where they may apply as CRMI.

### **COURSE CONTENT:**

- 6 days Ground School – Classroom with interactive presentations
- 5 days for CRMI Ground
- 1 additional day for CRMI Simulator / Line
- Subjects covered as per EASA requirements
- Manuals and course study materials provided

### **TRAINING DURATION:**

- 6 days to complete CRMI with CRMI for Simulator and Line Operation

### **TRAINING LOCATION:**

- AATC (Asian Aviation Training Centre – Bangkok, Thailand)
- Alpha Aviation Group (Clarke – Phillipines)
- LAT/TFC Flugbetrieb und -technik (Essen – Germany)

### **COURSE FEE:**
